AND NEIGHBORHOOD IMPROVEMENT DISTRICT

Report to Members

December 11, 2009

Dear Hurstville Security District Member,

We wish you a very Happy and Safe Holiday! It has been a very successful two years for the Security District!

Join Your Neighbors - Use the Patrol

Please remember to call the Patrol to meet you when you go to and from your homes during this Holiday Season. The PATROL NUMBER is 432-8818.

The current patrol hours are 5:00 pm -1:00 am. Extra security will be provided during holidays, as appropriate. On most days, two cars will be running during the most active evening hours. Each patrol carries a GPS system to ensure accountability.

Vehicle Decals and Phone Stickers

If you did not receive the purple Hurstville vehicle decals and stickers with the patrol number that can be placed on or near your telephones, or if you need more, please "Contact Us" through the website.

Security District Web Site and Communications

The Security District web site is – www.hurstvillesecurity.com

Please go to the web site and register! For those that have registered, please check your information to ensure that we have your correct -- and current -- contact information.

We send out safety/crime alerts regularly. We will also use the website to distribute important information about the neighborhood in the event of another evacuation. Registration and current contact information will ensure that you get these notices.

Spread the Word

If new neighbors move into the neighborhood or if you own rental apartments in the neighborhood, please let them know about the Security District and ask them to register on the website so that they will receive Security District information.
